Originall, Progresse, and Duration of the most Glorious Monarchies & flourishing States of the World. A Synopsis so mainly conducent and essentially necessary to the right understanding of all Sacred and Secular Histories, as without the conduct thereof (the like being never yet extant in English) small benefit can accrew to ordinary Readers. To reduce such a World of Matter, into so compendious Forme, can be adiudg'd no lesse then an *Herculean* taske. But of This, vulgar Capacities are as incompetent Iudges, as blinde Men of Colours. This Perspective is not fitted to the dull sight of Self-opinionate Ignaroës. To the intelligent and judicious Peruser, if it prove a gratefull worke
